Autumn is a second spring
when every leaf is a flower.

~Albert Camus

Welcome to our first Newsletter for 2009. Some ROTA members have already enjoyed the February outing which by all accounts was quite an interesting day was enjoyed by all who attended the Australian Museum.

Our membership is growing! It is wonderful to be reaching more and more people who are able to come along and enjoy our many events held during the year.

For members who love to come along to outings but have difficulties eg. With walking on uneven terrain and who find it difficult to access stairs with ease, the booking sheets will have noted any anticipated difficulties with venues which have limited access for wheelchairs etc.

Ann, Carroll and I wish you all the best for a very blessed Easter.

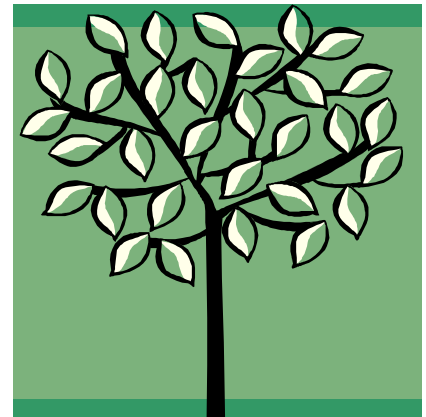

Stay well and rested and we look forward to seeing you at our next ROTA event!
