Dear Ms Rosenman

Inquiry into community based sentencing options for rural and remote areas and disadvantaged populations

I am pleased to provide you with a copy of the Standing Committee on Law and Justice's Report 30 titled 'Community based sentencing options for rural and remote areas and disadvantaged populations', which I tabled in Parliament on 30 March 2006.

The report is the culmination of the Committee's inquiry into terms of reference referred by the Attorney General on 2 April 2004. The Committee has made 49 recommendations aimed at improving access to community based sentencing options in rural and remote areas and for disadvantaged offenders.

I would like to thank you for providing a submission. The Committee greatly appreciates the contribution of all those who prepared submissions or gave evidence to assist the Committee in this complex inquiry.

Yours sincerely,
