Mr Morris Iemma,  
Premier and Minister for Citizenship  
Level 40 Governor Macquarie Tower,  
1 Farrer Place,  
SYDNEY NSW 2000

Dear Premier

I am writing to you again on behalf of the NSW Conference of Leaders of Religious Institutes' Social Justice Committee. I received a letter from your Director General dated June 19, 2008 in response to my letter to you dated June 2, 2008 about community disturbances at Camden and the apparent lack of response from your office to the actions of certain people towards Muslims.

My letter to you asked you a number of questions that required your response and by the Community Relations Commissioner. To reiterate, the concerns of this committee were that you and your Government seemed to be silent about the negative attitudes and actions displayed by certain groups of people at Camden. The committee was also concerned about the message that was being given by your apparent silence at the time. We are well aware of the views of the Community Relations Commissioner with whom I spoke on the day following the decision by Camden Council to oppose the establishment of an Islamic School in the area.

Sir, I will attach a copy of my original letter and look for to your response to the questions and issues that were raised in that letter. We were not seeking the views of the highly respected Community Relations Commissioner.

Sincerely yours

[Father] Claude Mostowik ms
