Dear Sr Rogerson

Thank you for your kind words regarding my article in *The Age* on 31 July.

As I wrote, the reforms announced by the Immigration Minister are an important step in the right direction, but significant questions and challenges remain. With your support, I will continue to pursue this issue.

I was interested to read of the work that CLRI (NSW) members do with refugees. Your members are to be commended for the important contribution that they make.

It was good to hear from you again.

Yours Sincerely,

Petro Georgiou MP
